

GLITCHES AND DEFECTS Call for Exhibition

Call for Exhibition | Accepted media: Photography, Digital Graphic, Digital Visual Design
Take part in the Group Exhibition in Rome, Italy. July 2019

FREE ENTRY Artists are invited to submit 1 to 3 artworks addressing the theme

In the digital age we are surrounded by images, an overload of saturated media. We demand for high quality and expectations of technology to produce seamless perfection, we are used to seeing and expect a seamless flow of information on screens. A technical failure in digital technology can interfere our viewing experience, glitches and defects within any medium are accident that disturb our senses.

What happens when the technology fails? Photographers and digital visual designers are invited to submit works that offers a vision on the topic.
